**Place your order now!**

Our Year Book Committee is collating the Te Totara Primary School Year Book. This year we have **100 glossy pages** of full colour, it will be bigger and brighter than ever before.

If your child is enrolled and attending our school by Friday 26<sup>th</sup> October, there will be at least one photo of them in the Year Book. The longer they have been at school, the more likely it is they will have additional photos in the book.

We need to know the exact number of Year Books required so we can ensure our print run is accurate. Accordingly, we are asking that you order your Year Book(s) now to avoid missing out as **no late orders will be accepted**. The price is purely to cover the printing costs to produce the book. We strive to ensure that we deliver the best value record of the year at Te Totara and we have worked really hard to secure the same price as last year, even though the product has more pages this year. The Year Book will cost **\$15.00 per book**; printed Year Books will be handed out in the last week of this term.

**NOTE: We will not be printing any extra Year Books, as unsold books are an additional cost. So, if you are interested, get it quick to secure your copy today using the below Order Form - we will not be printing extra copies.**
