ILLNESS AT SCHOOL

There are a lot of bugs going around school which have hit our children and staff badly.

If your child is absent from school, please let us know as early as you can the morning of their absence. If you know your child will be away for several days, please also advise us of this. This saves valuable administration time which has been spent trying to contact families of absent children. Most of our families are really good at letting us know and with the amount of illness around it is vital that we have this information early in the day.

On Tuesday this week we had to phone a number of families who hadn't contacted the school about student illness. This placed extra pressure on our already hectic School Office chasing absences. We would really appreciate your continued support.

UNWELL CHILDREN WHO NEED TO GO HOME

Our Administration Team and Teaching staff act in the very best interests of your child and their well-being is paramount. When children arrive at the School Office, and depending on the situation, most of the children are offered a rest in our Wellness Room and reassessed before a phone call home; often they return to their classroom.

We understand many of our families have work commitments however, if you are phoned by the school to collect your child from school due to illness, it would be appreciated if you could arrange for their collection as soon as possible.

If your child is sick please keep them at home until they are well. If your child has diarrhoea or vomiting we ask that they do not return to school unless they are well and have had **no further diarrhoea or vomiting for 24 hours prior to returning – these bugs can be highly contagious.**

Thank you for your assistance.

LEARNING PLANS HOME ON FRIDAY 9TH JUNE, 2017

If your family are in a shared care arrangement, please advise Marise Crow on 07 853-0039 ext. 858 urgently who will be collecting the child/ren from school on **Friday 9th June, 2017**. If you are happy for both envelopes to come home together, please also let me know via email: receptionist@tetotara.school.nz

LEARNING PLANS HOME TOMORROW

Tomorrow, we will be sending home a Learning Plan for each student to our families. However, if your child started at school in Term 2 (or late in Term 1) you will not receive a Learning Plan yet.

The Learning Plans will also be available online. Included in the information pack being sent home will be instructions on how to log-on to the Parent Portal site, as well as an Information Booklet explaining the **National Standards** contained in your Learning Plan. The work involved in developing these Learning Plans is immense and reflect our goal of developing a personalised plan for each student.

Much thought and consideration has gone into these Learning Plans. We have managed to include a lot more of each child's and goals, to ensure they have an increased sense of ownership of their Learning Plan.

We strongly advise that you:

- Go through the Learning Plan with your child
- Look especially at the "Where To Next" and "Goals set by Student, Parent and Teacher" sections and incorporate these into supporting learning at home.
