## LAST NEWSLETTER OF THE YEAR

This is the last newsletter of the school year and it is a bumper edition with lots of information. Any further updates will be done via our facebook page, website or school app.

## END OF YEAR CELEBRATION - TUESDAY 12TH DECEMBER AT 5.45PM

This is our annual event to celebrate another great year at Te Totara. Here is some information to help make it a special event:

- It is a school event, so children need to be in a clean and tidy uniform and will be together as a school and are under the control of school staff.
- Please leave your child with us; we will take care of them.
- Students will need to stay through the whole event.
- There will be very limited parking available at the school carpark and none in the turning bay.
- It will be best to find a car park on a nearby street and walk.
- It is like a concert in a park so bring a picnic, a rug to sit on, something to eat and drink and enjoy a variety concert.
- We use the hill behind Ra and Earth as outdoor stages where children perform.
- Toilets are open in the Ra and Earth blocks.
- Pre-schoolers are welcome to use the playground away from the performers so they don't distract from the performance.
- Other children not involved in the school are asked to be respectful and if they want to play, then the court area is a good place. There are likely to be over 2500 people at the event so we strongly advise walking to the event.
- Please **NO umbrellas** as it blocks the view of people behind. Low set chairs only are advisable if needed.
- **NO dogs** are allowed on our school grounds.
- We will have a "Paparazzi" section at the front for parents of those performing to use to get a good photo.
- **If the weather is not good, we will postpone to Wednesday 13th December, same time.**
- **Notifications will be put on the school Facebook page, school app and the website.**
- **The event is weather dependent, so may be cancelled at the last moment, but we will do our best to let everyone know as early as possible.**
- At the end of the event we will need to stagger people leaving due to Health & Safety, so please be prepared to wait a little time. Announcements will be made to help.

## CONGRATULATIONS TO ALL OF US!

This year we set some very ambitious and aspirational learning goals for our children. I am delighted to report that we have seen accelerated achievement for our children with almost all of our goals achieved and in most cases we have exceeded them.

In addition to our school targets, across our whole school almost all students (90% or more) achieve the National Standard in Reading (91%), Writing (92%) and Maths (94%). ## SCHOOL ORGANISATION FOR 2018

Over the last few months we have been assembling our team for 2018. We are delighted with the organisation and are fully staffed ready to begin 2018.

- We are preparing for more roll growth as new subdivisions are built around us
- The Board have funded three extra classes above entitlement meaning we have lower numbers at the start of the year across the school i.e Year 5 & 6 classes start with approximately 26 students in each to help cater for the growth
- Next year we have added two more Year 5 & 6 classes, making 10 in total

## STAFFING NEWS

Next year sees the school join the Te Pai Here Kahui Ako [COL](#) (*Hamilton North Community of Learning*), along with 18 other local schools, with a start date yet to be confirmed. We are delighted that **Becky Somerville** has gained an across School Leadership position, one of four teachers from 19 schools. This means that Becky will not be taking a class and will be working with other schools for two days a week sharing her expertise. For the remaining three days she will be involved at our school with supporting ESOL (*English Speakers of other Languages*) students. Becky will remain the leader of the Marama Team until the Community of Learning officially begins.

We are delighted that **Rebecca Griffin** will take on the Leadership role for the Marama Team once Becky begins working with the COL. Rebecca is a skilled practitioner and has been involved with Leadership roles within the school already and has already begun attending Leadership meetings to support a smooth transition to the role.

As is usual in a school, there are comings and goings which I can update everyone on. We farewell long standing staff member **Chris Chase**, who is moving to the Bay of Plenty. We thank her very much for her skills and efforts and wish her all the very best for the future. **Inge Alferink** and **Sharon Hatherill** are on leave for 2018, we hope they enjoy their travel and learning opportunities next year and we look forward to welcoming them back in 2019.

Next year we welcome three new teachers to the school. You will be able to find out more about them and all our staff on our website under the "Our people" section, which will be updated with biographies shortly.

We welcome **Dori Villasol-Alonso** to our school. Dori comes to us from St Columba's School and is an experienced teacher. Dori is originally from Spain and adds a great dimension in supporting colleagues with children for whom English is a second Language.

We are delighted to welcome **Morgan Hunter**, who is an experienced teacher to our school. Morgan comes to us from David Street School in Morrinsville and has a real passion for E-Learning and involving herself fully in school activities.

It is neat to be able to welcome **Craig McAuley** to our school. Craig comes from Napier and is starting his teaching career with us. We have had many teachers begin their careers here since the school started with our induction programmes being so worthwhile. Next year we have nine teachers on staff who have been through our Beginning Teaching Programme, so it is great to be able to add another!

We congratulate **Kristy Hanks** on her graduation to a fully registered teacher after five years of study and practical work. Well done!

## CLASSES FOR 2018

We have appreciated the input of students, teachers and parents in helping support the decision making process for classes in 2018. Considerable time, skill and energy has gone into putting together the organisation for 2018.

The class for each child will go live at 3.30pm tomorrow, Friday 8th December, using the same parent log in as for Learning Plans. Teachers will also go over the classes tomorrow to answer any queries from students before they go home. Details on how to view the classes are in your Learning Plan pack that was sent home last week.

Children will visit their new classes on Thursday 14th December from 1.30pm - 2.00pm. We will do our very best to get the new teacher there but this may be a challenge as some teachers are working in other schools.

Some points around our classes:

- We do realise that this is a time of change and that this can cause anxiety, it can also be viewed as an opportunity to experience new classmates and a teacher with a wonderful range of new skills
- We deliberately "mix up" our children so by the time they progress through the school they have been exposed to a wide range of their peer group, building valuable and important relationships within the year group cohort
- We do find that the first transition within the school i.e. Year 1 to Year 2 can cause some concern as the children may be with others that are unknown, similarly moving to a new area of the school. This is understandable and we ask that families support the move with a positive approach
- We do ask that that if there are any issues around class placement that families support what is in place and if there are any challenges liaise very early with the new teacher in 2018.
- If there are ongoing concerns then please feel free to contact School Leaders after three weeks of the new school year which allows for the child to settle in and build valuable relationships
- Any requests to change a class from now on is highly likely to be declined as a class change can create a "knock on" effect and not give an opportunity to the child to take on the challenge of a new teacher and make the most of this new opportunity
- To find out more about our approach to how we put our classes together, please see our website.. [How we put our classes together](#)

## AUTHOR VISIT

Best-selling author James Russell visited our school on Wednesday and many of our children got to hear him speak. Due to popular demand we are extending the deadline to purchase signed, personalised copies of his books. The order forms are now due back this Friday morning. They will be couriered to our school and handed out early next week. If you have misplaced the form that went home with the newsletters last week, you can print another one here - [http://www.tetotara.school.nz/100/newsletter\\_sets/2-newsletters-and-notices/years/2017](http://www.tetotara.school.nz/100/newsletter_sets/2-newsletters-and-notices/years/2017)

## ALL LIBRARY BOOKS DUE BACK NOW PLEASE

All library books should have been returned by Monday this week, however we still have **542 books outstanding**. Could you please have a good look for any library books around the house, no students should have any books at home.

## Holiday Reading

Over the holidays students can experience the "summer slump". This is a loss in reading achievement over summer if children stop reading. Providing some fun reading experiences during the holidays can help prevent the summer slump. Here are a few ways to encourage children to read:

- Read aloud to your child. It is the single most important activity for building the knowledge required for their own success in reading. It stimulates their imagination and improves their language and listening skills.
- Encourage your child to read anything - the TV guide, magazines, joke books, recipes, travel guides, video game instructions...
- Find a series for your child to get hooked on. This will make choosing the next book to read easier. A recent survey showed that the primary factor in choosing a book for 7-12 year olds was a familiar character or series.
- Find books that match your child's interests - arts and crafts, skateboarding, cooking, animals...
- Read graphic novels. These comic books can be really appealing for children.

## LIBRARY OPEN DATES

We are happy to confirm that our library will be open every Thursday in the school holidays from 1.00pm - 4.00pm. In order to borrow books during the holidays, students must be accompanied by a parent and have no outstanding invoices or overdue library books. We will increase our lending limits to a maximum of six books per student, and each parent can also borrow up to six books per child in their name.

All books will be due back by Friday 2nd February, 2018 (*the end of the first week back of school*). This means that if you are away for some of the holidays you don't have to worry about books becoming overdue. If you are going away then you might also like to borrow some eBooks or audiobooks. If you search "ebooks" on our website you can have a look at our online collection. If your child doesn't have their username or password for these, please request them from us [librarian@tetotara.school.nz](mailto:librarian@tetotara.school.nz)

If you are staying in Hamilton then we would love to see you. It is a nice way to meet up with friends, stay cool in our lovely air-conditioned library, and take home some good books to read. This year we are also running activities from 1.15pm - 2.15pm. Like Te Totara Primary School Library on Facebook for updates about these.

## A PERSONAL NOTE FROM US

As this is the last school newsletter for the year, the PTA team would like to take this opportunity to thank each and every one of you who helped with all our crazy endeavours this year.

To all those members of the PTA and staff who helped us immeasurably this year: Trudy, Jason, Liz M, Raewyn, Shannyn, Cyra, Jemma, Brian, Anna, Jasmine. Andrea & Glenn, Riley G, Marise, Celeste... you're all amazing, thank you.

To those who helped at the school gala and donated your time, equipment and supplies (including Blair Miller with the BBQ); all those who helped with Ice Block days and Disco support; all the time and energy expended by mums and dads sorting disco costumes; to those who supported our seemingly never-ending requests for money and donations – **we thank each and every one of you.**

Our objective is to try and offer all Te Totara students a wonderful environment in which to learn, grow and have fun. Our anchor project now is fundraising for a playground at the back of the hall, and we are excited to be working on that in the new year.

**Wishing you all a wonderful end to the year, and a safe and happy holiday season!**

Your PTA Exec team: Scott Mehrstens, Liz Gordon, Jackie Smith, Nalina Dheda, Vicki Jordan & Rae Gunn.
