WELLBEING AT SCHOOL

As part of supporting our staff and students at school, we have formed a Wellbeing Committee. This is comprised of teachers at different levels of the school, as well as staff representing the different areas of school staff i.e. Administration Staff, Teacher Aides.

As part of our Annual Plan, we have enrolled in the New Zealand Council of Education Research [Wellbeing@School](#) Programme. This provides schools with self-review tools to build a safe and caring climate that deters bullying. I would recommend taking time to look through the link and seeing how it can help us in the future. This programme is acknowledged by the Education Review Office as a useful tool to support students and staff and is now provided to Schools by [ACC](#) to ensure schools have this free access.

Initially, we will be surveying Year 5-6 students and staff. All surveys are anonymous. We are also working on a modified survey for our Year 1-4 students so that we include their perspective as well. Once completed, it will give us a picture of our school and going forward will help form an action plan. We'll keep everyone updated on what is happening, but if you do have any queries please don't hesitate to contact me.

This year to support wellbeing we have introduced the [Pause, Breathe, Smile](#) Programme for our 3-6 students, with early positive feedback.

ILLNESS AT SCHOOL, ABSENTEE MESSAGES AND LATENESS TO SCHOOL

There are a lot of bugs going around school which have hit our children and staff badly.

If your child is absent from school, please let us know by 9.00am the morning of their absence. If you know your child will be away for several days, please also advise us of this. This saves valuable administration time which has been spent trying to contact families of absent children. Most of our families are really good at letting us know and with the amount of illness around it is vital that we have this information early in the day.

On Wednesday this week we had to contact a number of families who hadn't contacted the school about student illness. We also had approx. 46 children arrive late after the school bell had rung at 8.55am on Wednesday and Thursday this week.

This placed extra pressure on our already hectic school office chasing absences.

We would really appreciate your continued support.

For absentee messages, please leave your Child's Name, Room No. and Reason for their Absence by 9.00am each day:

Use our School App OR

Phone the School Office on (07) 853-0039 (Press 1) OR

Text the School Office on (027) 2074466

FINDING OUT WHAT IS HAPPENING

We have many ways of keeping up-to-date regarding events that are happening at school:

Online school calendar: [Online School Calendar](#)

School App: [Download the School App](#)

School Website: [Te Totara Web Site](#)

Weekly notices: [Weekly Notices](#)

FacebookPage: <https://www.facebook.com/TeTotaraPrimarySchool230374533681330/>

We have a great team at school who keep these sources updated in real time.

THANKS! NZEI PAID UNION MEETING THAT WAS HELD ON MONDAY 25TH JUNE, 2018

A big thank you to our families for helping out by either collecting their children or making other arrangements. It was very much appreciated! Everyone was safe and the system of a stamp on the hand ensured we knew children were able to go home. Teachers were able to meet and discuss their contract claim during the afternoon at the Claudelands Event Centre, which is a legal entitlement.

SEESAW USE

We have found Seesaw to be a great tool to support the important home and school partnership. This was introduced two years ago and it is now established in the school. The Board now ensures that the cost is taken care of for each student and that there is a permanent record to keep for students and families.

To support both families and teachers we have prepared some guidelines to help everyone know what the expectation is around this and these are included below. If you do have any queries please don't hesitate to contact the teacher of your child. To find out more you can see our online Seesaw guide... [Seesaw Guide](#)

Feel free to check with your child/rens teacher as to whether they make use of this feature. The best way to make contact with your child/rens teacher is to email or see them in person.

ENROLMENTS AT TE TOTARA PRIMARY SCHOOL

If you have a child or sibling coming to Te Totara in the future, we would love to have an Enrolment Form - it would be much appreciated and certainly help with our future planning! Please download an [Enrolment Form](#) from our school website or collect an Enrolment Pack from the School Office between the hours of 8.15am - 3.30pm. Please return it to the School Office a.s.a.p. along with the required documentation.

LOST PROPERTY ON DISPLAY

Weather permitting; we will endeavour to display all lost property items **Thursday 28th June & Friday 29th June, 2018.**

Please check out our lost property bin. The BIG YELLOW bin is located outside the Earth building; there are LOTS of polar fleeces! Please check to see if any items belong to your family as all unclaimed items will be donated to charity.

Questions?

If you need help, please pop in and see us at the School Office OR give us a call on (07) 853-0039 OR call the **?]bXc'<YdXYg'cb'\$) \$, '() (*' * 'frc``ZYYL'**

If access is denied, it is most likely that our school does not have your current email address recorded on your child's file. Please do not hesitate to contact the School Office on (07) 853-0039 to amend.

CONGRATULATIONS

Our congratulations go to Da-Young Kim who sat her Trinity College of London Grade 3 Piano Exam last week. Da Young passed with Distinction, gaining 92%. Well done Da-Young!

SCHOOL ASSEMBLY

This week's assembly will be held on **Friday 29th June, 2018 in the Matariki Hall at 2.00pm.** This week our children from Matawhero, Earth and Milky Way will attend assembly and our Milky Way 17 children will be sharing.

Just fooling around

Things getting a bit boring at your place? Here are 25 fabulous ways to get silly, lighten up and make your child chortle.

by Elizabeth Oosterman

- 1 Wear pyjamas back to front.
- 2 Have a mixed up dinner: eat dessert first with a fork, served in a cup, drink from bowls – you get the idea.
- 3 Hold a surprise party. You don't need a reason!
- 4 Hide treats or messages around the house for the kids to find as they go about their day.
- 5 Have a breakfast dinner: serve favourite breakfast foods for dinner. Come dressed in pyjamas. This one is great for friends.
- 6 Hop, skip, jump, leap, spin, waddle, prance, wriggle, shimmy, shuffle and reverse... why just walk?
- 7 Make home-made takeaways, wrap in newspaper and enjoy anywhere.
- 8 Turn off all the lights in the house and go on a teddy bear hunt with a torch.
- 9 Have a conversation that is only sung.
- 10 Wrap up, get in the car and go out to watch the sunrise or sunset. Nature's own show!
- 11 Toast marshmallows over the fire.
- 12 Eat dinner by candlelight.

- 16 Make frozen plates – fill lightly oiled plastic plates with water and freeze. When solid, peel off plate and use for serving fruit salad.
- 17 Make bubbles in the bath with a straw or a whisk.
- 18 Change the sleeping end of your bed – just for a night.
- 19 Serve only triangular food for a meal. Or circular, or square.
- 20 Crank up the music and boogie around the kitchen.
- 21 Write names on plates with tomato sauce before you serve sausages or chips.
- 22 Everyone wears all red, or yellow, or purple... then go out, if you dare!
- 23 Turn down the volume on the TV and make up your own dialogue.
- 24 Make gumboot pot plants – get out your old gumboots, put holes in the bottom with a nail. Paint and decorate, then fill with potting mix and a plant. Arrange on the back step.
- 25 Look at the newspaper upside down (or a book) and see how long it takes everyone to notice.

Elizabeth Oosterman lives in Te Awamutu. She has two sons aged four and nine months.
