Dear PTA Team

The Board would like to acknowledge and thank you for all the hard work you put into Te Totara Primary School. You have raised so many funds in creative, community-focused ways.

Not only have you made the school a more beautiful place to be, but you've also contributed to that lovely family feel at this wonderful school.

Shelley and Rinesh, we wish you well and would like to thank you for everything you've given to the PTA. You've done a marvellous job.

To all the new-comers and the people continuing on... welcome and thank you. It's wonderful to have the PTA continue to thrive as new people fill the various roles. We're excited to see the events you will organize over the next year.

From a very appreciative School Board, kia ora rawa atu.

Kind Regards,

Melissa Guyan
Presiding Member
Te Totara Primary School Board of Trustees
